

Gist:

To Abdullah and Abu al-Harish

Perhaps you're wondering about my engagement to Karima al-Shaykh Abu 'Abd-al-Rahman (B.M.) and we informed (TN: unclear; VAR were told that) they are your side, and so we asked Shaykh Mahmud for your telephone number. I will call you to complete the matter, God willing, and to prepare what is needed. With me will be one of the brothers, and he will follow the communication with you to specify the place that we will meet. I ask of God for safety to facilitate the matter.

Keep me informed of your latest news and well being.

Your brother Khalid
