

(Fully Translated)

In the Name of Allah, the Merciful, the Compassionate.

Peace ,and God's prayers be upon you.

To my dear brother Abu Sulayman, God protect him.

How are you, and what is your news? I pray to God that you are well, as we are, Praise is to Allah.

I want to relay to you good news. I met with Umm 'Abd-al-Rahman's [maternal] aunt, and she told me, they do not object to your marriage to their daughter. She apologized for the delay in their answer to us. She told me that her daughter asked her to finish memorizing the Qur'an before the wedding and that was the reason they were late. Her daughter asks, if the marriage happens, God willing, will you come here for Jihad with them or what will the arrangement be? They will wait for your answer. I pray to Allah to facilitate his issue and allow what is good. I ask to supplicate and ask God for the proper guidance in everything. I am waiting for your answer. Pray to Allah to join us soon. Give my regards to everyone. 'Abdallah, 'Aisha, and Usama are all fine, and they send their regards.

Peace, and God's Mercy and Blessing be upon you.

Your sister, Umm 'Abdallah
