

(Fully Translated)

In the name of God, the merciful, the compassionate

Thank God, the God of all gods for the grace of guiding, thank God for the grace of the hegira, equanimity, holy war, I witness there is no god but God and He has no partner, and I witness that Muhammad is his prophet and his best friend Adam until judgment day, God's blessing and peace be upon him, and his pure people, and the mothers of the faithful and to all the ones who walked that route until judgment day.

To my sister in God, the mother of martyrs, Um 'Abid al-Rahman, God bless her

God's blessing and peace be with you.

I have a feeling, no one knows how strong it is except God, that I will be meeting you through these lines after a very long time has elapsed for us and for the Islamic people, but as the saying goes, the rain starts with one drop, maybe after this letter we will meet in person, God is capable of that.

I swear to you, since the day God blessed us by getting out of the infidels' fist on 29 Sha'ban 1431H (TN: 10 August 2010), I was hopeful that we would be meeting up with the ones we love, but the security situation didn't allow and permit us, as the poet said, "Not everything a person wishes for happens sometimes the current goes against the sailboats."

We took shelter with the supporters and we weren't able to meet with the family until 9 Rabi' al-Awwal 1432H, 12 February 2011. I met them alone, and I left Hamzah and his family with the supporters.

We rejoice after the meeting with them and seeing Khalid, the mujahid, who still has the hope to urgently marry into your family. He is trying very hard to reach you; he is trying to reach a brother to take the necessary steps to set up a meeting with you.

We consider this to be the beginning of a new era ,especially since our security is getting better and the signs for victory for our mujahidin have begun to be seen, at least after the

latest problems, with which you are familiar, what happened in Tunisia, Egypt, and the surrounding countries. This is on top of the vision that came onto Khalid, and of which he previously informed you.

Maybe the delay in the marriage is due to reasons unknown to us, but God understands. Plus this delay played a role in their intellectual maturity and their understanding things in view of reality and which be reflected in their future.
