In the name of God, The Most Merciful, The Most Compassionate.

Thanks be to God, and peace upon the last Prophet.

Peace and blessings be upon you.

My dearest maternal aunt Umm Khalid, may God protect you, and may He award us heaven.

I pray to God this letter finds you well and in great health.

How are you? I hope all is well, God willing.

How are my sisters Maryam and Sumayah? I hope they are well. How are the heroes 'Abdallah and Usamah? How are the sweet roses 'A'ishah and Siham? I send them my regards, and I pray to God that He protect you and them from any harm. I am doing well, thank God.

Your daughter, Sarah
