In the Name of God, the Merciful and Compassionate

Praise be to God, the Lord of the worlds, and prayers and peace be upon our Prophet Muhammad and his family and companions, all of them.

Now then...

To the noble brother Muhammad Aslam. May God have mercy on him.

May God's peace, mercy and blessings be upon you.

I hope this letter of mine reaches you and that you are well and in good health.

Now then...

With regard to the brother whom you recommended be our associate (TN: possibly partner) and your mentioning the things that are preventing him from leaving his position, we suggest that you propose to him that he be self-employed (TN: in business) and that he convince his relatives that self-employment is better than a position and that he found a partner to work with (even though the salary of a position is steady).

And these are some of the choices that he might work at, and please let me know about the brother's experience, and what kind of work he is inclined to like, if none of these choices are suitable to him:

- 1- A real estate office
- 2- An automobile spare parts store
- 3- A household appliances store
- 4- A grocery store
- 5- A small chicken farm

Do you have any other suggestions if he declines to be our associate, let me know.

We learned from Hajjah Um Hamzah that you have school books. Please send them with the courier from our side, to copy them by scanner, so as to help her and then we will return them, God willing and may God reward you well.

Your brother,
22 April 2011
